PROFESSIONAL SUMMARY

Marketing graduate with hands-on experience executing B2B and B2C campaigns, enabling merchant growth, and guarding brand consistency across digital and offline touchpoints. Skilled in coordinating multi-channel marketing campaigns, supporting commercial teams and Key Account Managers, developing sales-enablement materials (pitch decks, digital assets, email communications, co-branded content), and analyzing campaign performance, merchant engagement, and KPIs to deliver data-driven insights. Proficient in Google Analytics (GA4), Meta Ads, Google Ads, Salesforce, HubSpot, Excel, Figma, and Canva, with a proactive approach to using AI tools to streamline operational flows, automate reporting, and improve output quality. Known for strong cross-functional collaboration, attention to detail, and the ability to manage multiple projects under brand guidelines in fast-paced fintech and technology environments.

EXPERIENCE

Marketing Intern

Bridgestone Mobility Solutions (Webfleet) | Aug 2024 – Jan 2025

- Coordinated multi-channel marketing campaigns with partners and merchants across digital media, paid social, email, print, and events, ensuring timely delivery and brand consistency from planning to post-mortem
- Created sales-enablement and product materials — including pitch decks, digital assets, and co-branded content — translating technical features into clear value propositions for B2B audiences
- Managed and segmented Salesforce lead databases to support lead-generation, nurturing, and merchant engagement campaigns with accurate, actionable data
- Developed email marketing copy in Salesforce Marketing Cloud for monthly webinars and campaigns, tracking KPIs and reporting performance insights to stakeholders
- Conducted competitor analysis, SEM keyword research in Google Ads and Meta, and campaign ROI reporting in Excel to optimize budget allocation and commercial impact
- Reviewed social media content grids and marketing materials to ensure alignment with brand voice, visual identity, and messaging guidelines
- Optimized landing pages with a focus on CRO, UX, and SEO; built interactive prototypes in Figma to support conversion-focused initiatives
- Supported event marketing logistics including partner activations and trade shows, coordinating materials and timelines across internal and external teams

Customer Support Analyst

Tiendanube | Mar 2025 – Dec 2025

- Advised merchants on e-commerce growth, sales enablement, and digital strategy, acting as a bridge between commercial objectives and merchant needs
- Implemented and configured integrations with Meta Ads, Google Ads, Google Analytics (GA4), Search Console, and Meta Pixel to improve merchant campaign performance
- Analyzed digital channel metrics and merchant behavior using Excel and Google Sheets to identify trends, flag improvement opportunities, and inform decision-making
- Trained and onboarded new merchants through complex technical and marketing setups, reducing friction and increasing autonomous platform adoption
- Collaborated cross-functionally with product, technology, and operations teams to resolve merchant issues and improve the customer journey

Content Creator Intern

Corporativo Laureate | Dec 2025 – Jun 2026

- Developed content strategies for institutional and brand campaigns aligned with brand voice, positioning objectives, and visual identity
 - Conducted market research on digital trends, audience behavior, and content opportunities to optimize organic relevance and engagement
 - Created blog articles applying SEO, GEO, and E-E-A-T principles to strengthen brand authority and visibility
 - Planned, produced, and optimized content for social media and digital channels while managing multiple simultaneous projects
 - Analyzed content performance data to identify improvement opportunities and ensure on-time, on-brand delivery
